JSA is an insurance brokerage independent company. The company works with high risk insurance.

They are listed as a insurance company but they only work with insurance companies. Not the private individual because they are a insurance broker.

Top -notch MGA. Underwriters have been with JSA for years (most of them) and are very-knowledgeable. They get back quickly and are extremely helpful. Couldn't ask for more from an insurance partner. We've enjoyed years of amazing Customer Service!
