Comments

- Google and Bing maps are not updated. There are no available, unobstructed closer view of the structure online.
- From aerial shot and interior photos, the building and its roof appear to be structurally sound. There are no signs of weathering or water damage.
- Interior photos show intact ceilings. Floors are fitted with laminated tiles.
- There are 3 permanent structures on the property.
- The premise has a backyard, with concrete pavement and possible synthetic grass on the playground area.
- On-site parking is available, as well as along W Rowland Street.
- The are 2 fire hydrants on each side of the premise within 200 ft.

My daughter has been in their care for 2 years now and i cannot wait until my second daughter goes there! Teachers and Aids are amazing! Always very helpful and willing to go the extra mile. My daughter has become very independent and eager to learn every day, she loves the awesome activities that they have there for them during the summer camp. I love this school!!!

My Lil one has grown so much in the past yr at this beautiful school. I love the environment and the loving teachers & director always so positive,supportive . I got recommended upon this school and I'm so beyond blessed that I got the opportunity to have my child come to this fun loving preschool . I would definitely recommend to any parents that is looking for a fun and safe educational school to come here. I love it here!!
